Purpose: Review Plans
Time: January 25, 2005 Tuesday, 7th hour
Location: CS Conference room
Secretary: Matt Weinstock
Present: Brandi, Steven, Matt, Jonas, Jason
Guests: Salman

Items Discussed:
Presentation
- Attire
    - lost points
    - ironing
- Um's and Ah's
- Lousy video quality
Status Reports
-Inkscape Side
    - progress last week
        - using listeners to check on repr changes
        - output new object message
        - xml style output, how we will actually send it
        - sending entire document
        - does it matter what the xml tree looks like?
    - problems encountered sunday
    - hours spent
        - Jason: 10
        - Matt: 3
- Jabber Side
    - progress last week
        - tried to connect code to Inkscape
        - connect button does nothing
    - user documentation
        - many things still needed, i.e. queue transmission
        - need someplace to put stuff online
    - monitoring the inkscape-devel list
        - trying to get makefiles working is difficult
        - awaiting clarification
    - hours spent
        - Jonas:
        - Steven:
New Secretary/Timekeeper format?
    - timekeeper is next secretary
What is the name/location of the Jabber queue functions?
    - formalizing the interface
    - we need a send and receive messages
    - better to have an incoming queue and outgoing buffer possibly

- whenever we make a new object we send a new object message and a change message
- linking issue when you click the button

Goals for this week
- Jabber-side
    - people can join/create chat rooms
    - Connection interface ... ?
    - User documentation ... ?
- Inkscape-side
    - Simple conflicts resolved
    - Structure for group conflicts
    - Sending initial information

Comments
1. Great job on reviewing videos. Don't worry no one likes oneself on video.
2. Report your times to Brandi w/o her asking
3. Allocate more time to goals
4. How are we doing relative to the schedule?

Tasks assigned:
Jabber Team (**Steven, Jonas**)
Ppeople can join/create chat rooms
Connection interface ... ?
User documentation ... ?
Inkscape Team (**Jason, Matt, Brandi (partially)**)
Simple conflicts resolved
Structure for group conflicts
Sending initial information
...

Next Meeting:
January 27th, 2005 Thursday 9th - 10th hour
