Meeting Log

Purpose: Fix major errors

Time: March 21, Monday, 8th hour

Location: CS Conference Room

Secretary: Steven Montgomery

Timekeeper: Brandi Soggs

Present: Brandi, Steven, Jason, Jonas

Guest: *Salman Azhar regretfully cannot make it today*

Status Reports:

Inkscape-side (Jason, Brandi)

- Modified dialogs in order to accept error messages to display for reconnection, etc.

Jabber-side (Jonas, Steven)

- Buddy list, resolved null error when all buddies sign off.
- Worked on creating binaries for 0.1 release.
 - o Ran into issue with "bad exit status" when building rpm. E-mailed Inkscape dev list.
- Work in sending queue for initial document sending.
 - o Message will be very large...
 - o Queue children of message containing TimeMessageNodes that make up the queue
 - o Need to pass recipient JID when responding to a resend request. Will be updated in protocol document eventually
 - o Document send messages will not go into send queue. It will be sent immediately to minimize delay when sending.

Items to discuss:

Progress reports - Remember to email times for the week before midnight on Sunday

Meet sometime this week to address issue sending objects besides rectangles. Anyone willing can stay after the meeting Thursday. Also, anyone free after 10th on Tuesday can meet in the lab to work on this issue.

Jonas: 3-4 hrs first week. 8 hours this week.

Goals for this week:

- Send the rest of the objects successfully (circles, etc)
- Finish stuff from before
 - * Chatroom
 - * Error Handling

Things to Schedule/Assign:

Fix the errors, get ready for Spring Break version

Next meeting- Thursday, 8th hour, CSSE Conference room

Unofficial meeting Tuesday after 10th in Sun Lab
