Agenda

Purpose: Sending SVG and Inkscape content

Time: December 6th, Tuesday, 7th hour

Location: CSSE Conference Room

Secretary: Jonas Collaros

Guest: Salman Azhar

Status Reports:

Jonas- Group Chat Document 20 minutes

Jason et al- Jabber Messages & how-to 20 minutes

Total 40 minutes

Items to Discuss:

Trimmed 1.0 Group Chat document (read it tonight) 2 minutes

Goals of the week:

- Sending Inkscape messages (not all error handling)
- Extraction of SVG information for transmission
- Extraction of SVG information from transmission

3 minutes

Total 5 minutes

Things to Schedule/Assign:

Be aware of the trimmed group chat document

Jabber-side (Jonas, Steven)

- Where in the jabber message to encode the SVG information?
- How to identify inkboard messages?
- Establish the form of the message

Inkscape-side (Jason, Matt, Brandi)

- How are the inkscape ids generated?
- Where are the inkscape ids encoded (where can we get them)?
- What information is needed in the body of the messages?

Total 10 minutes

Meeting Total 55 minutes
