

Tuesday January 4th, 2005

Meeting Log

Purpose: Sending and Displaying Inkscape Content (con't)

Time: January 4th, Tuesday, 7th hour

Location: CSSE Conference Room

Secretary/Timekeeper: Jonas Collaros

Present: Brandi, Jason, Jonas, Steven

Guest: Salman

Items Discussed:

Status Reports/Reminders:

Jabber-side (Jonas, Steven)

Up to sending messages. Building, compiling and linking errors mostly resolved.

Inkscape-side (Jason, Brandi, Matt)

Examining drawing methods, inkscape svg, arguments to functions

Brief notes:

Contact with Inkscape developers (chat time) us upcoming. Prepare questions and items to discuss with Inkscape developers.

As more code emerges, along with the Inkscape-formed Jabber messages, there needs to be a common easy interface in mind between Inkscape and Jabber functionality. It will be the Jabber-team's responsibility to decide on this interface and to stick with it.

(Salman's notes)

Upcoming senior project presentations will utilize anonymous peer feedback. Additional senior project course feedback is encouraged due to lack of completed evals. Our meeting agenda is best agenda Salman has seen so far among all groups.

To do:

This week's goals:

Jabber-side (Jonas, Steven)

- Properly formed messages sending/receiving
- Sending/receiving message queues <- interface with inkscape side
- Error handling on messages (secondary)

Inkscape-side (Jason, Brandi, Matt)

- Find meaning of Inkscape screen-object arguments
- Sending/Displaying Inkscape XML
- Discover form of "initial information" (secondary)

Other:

Prepare questions and items to discuss with Inkscape developers.

Next Meetings:

Next team meeting is Thursday, January 6th during 9th-10th hour

Meeting time on Tuesday January 18th has been rescheduled to Monday January 17th at 5:15pm.

Meet in respective groups this week sometime to complete project goals.
